# HOW TO FIND YOUR WEARABLES BALANCE

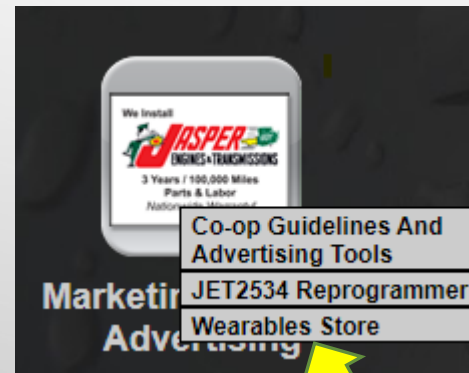

JASPER allows 20% of the Total Co-op Available, up to \$500, to go toward Online Wearables Orders. Any order that exceeds the 20% allowed is split 50/50. For example, if the remaining balance of your order is \$50, then \$25 will be deducted from the remaining amount of total Co-op allowed, if available, and you will only be responsible for the remaining \$25.

## 3. See Wearables Balance

## 1. Position your cursor over the "Marketing & Co-op Advertising icon"

## 2. Select "Wearables Store"
